"180° Juvenile Diversion makes you be honest with yourself and map out where you want to be, when and how to get there. I would suggest this to anyone, even if they haven't done anything wrong, because it helps you figure your life out and work on being a great person."

~ C.A. - 20 yrs old, 180° Graduate

#### Donate:

180° Juvenile Diversion is funded entirely by participant fees, grants and donations. Those interested in making a donation or volunteering as a facilitator or guest speaker should contact the 180° Juvenile Diversion office.

WANT TO TURN IT ALL AROUND?

# 180 JUVENILE DIVERSION HOW DOES IT WORK?

180 Juvenile Diversion is a holistic, intricate 9-month program that offers the prospect of a second chance to young adults (14 - 20yrs) of Waukesha County who have committed a first time misdemeanor or low-level felony. In it's brutally honest fashion, participants are challenged to reinvent themselves by voluntarily immersing in a rigorous 3 month, self-examination curriculum followed by 6 months of case management.

### 180° JUVENILE DIVERSION A DIVERSE TEAM

Classes are facilitated by a former police officer turned entrepreneur, retired military drill instructor turned sports psychologist and former special education teacher turned case manager. This blending of law enforcement, military readiness and education provide a unique platform for transition in to functional adulthood.

### 180° JUVENILE DIVERSION A UNIQUE APPROACH

Prior to program completion, all participants must develop a life-map reflecting their future successes and a self-maintenance plan that highlights their strengths and acknowledges their difficulties. These plans outline their identity, character, values, motivators, triggers and enhance communication ability resulting in closer family relationships and appropriate peer influences. Additional topics such as communication skills, job-readiness, career development, college options, anger management, drug & alcohol avoidance, nutrition/wellness, financial intelligence and more are addressed.

180° JUVENILE DIVERSION BUILDS POSITIVE SUPPORT SYSTEMS AND ENCOURAGES BEHAVIORAL CHANGES THAT WILL LAST A LIFETIME.

### CLASSROOM PHASE I

Clients will attend 12 - 14 weeks of 180 classes held two evenings a week at UW-Waukesha. Clients will complete 72 hours of evidence-driven, life skills curriculum and participate in weekly physical fitness activities.

## CASE MANAGEMENT

Each client will complete 6 months of case management. Clients meet on a bi-monthly basis with the case manager to discuss individualized action plans developed in Phase I. Additional program requirements will be followed up on to ensure clients are on track for successful graduation of the program. Case management also provides accountability on academics, participation in extra-curricular activities, counseling/treatment referrals, family monitoring and assistance.

# ACCOUNTABILITY MEASURES\*

Each phase also encompasses on-going accountability requirements:

- **Drug Testing:** Drug testing deters risky behaviors. Clients will be subjected to mandatory, random drug screens throughout the program.
- **Community Service:** Clients are required to complete 40 hours of community service during their 9 month involvement.
- **Restorative Justice:** If applicable, clients may be required to participate in a victim/offender mediation panel to directly address those they have harmed by committing their crime.

\*To become eligible, candidates will be referred by a recognized referral source.

Please contact the 180° office for more details or an in-depth information packet.
